The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account, 'Logapriya Manian's Account'. A dropdown menu for the account shows options like 'Edit dashboard', 'Upgrade account', and 'Create resource'. The main content area, titled 'Dashboard', features a 'For you' section with several quick-start guides: 'Build' (2 min), 'Explore IBM Cloud Shell' (2 min), 'Create and deploy an application' (5 min), 'Visit the IBM Cloud catalog' (1 min), 'Set up your IBM Cloud account' (10 min), and 'IBM W. Catalog'. Below this, there are sections for 'User access' (with a 'Manage users' link), 'News' (with a 'View all' link), and 'Planned maintenance' (with a 'View' link). The bottom of the screen shows a Windows taskbar with various application icons, a search bar, and system status information including temperature (30°C), weather (Mostly sunny), and date/time (09-11-2022, 12:25).
